Dear Sir:

Please find enclosed a Certificate of Correction pursuant to 37 C.F.R. 1.322 to correct a few typographical errors that were identified by Applicants in the above-identified patent, which issued on January 5, 2010. More particularly, the term "first" in claim 8, line 24 should read "second"; the term "first" in claim 9, line 27 should read "second"; the term "first," which appears twice in claim 10 at lines 30 and 31, respectively should be changed to the term "second" at both occurrences; the term "is" should be inserted before the term "adjustable" in claim 11, line 34; the second occurrence of the term "a" in line 64 of claim 21 should read "the"; the term "adjuster" should be inserted after the first occurrence of the term "third" in claim 21, line 1 of column 17; the term "and" should be deleted in line 42 of claim 26; the term "first" in claim 30, line 7 should read "second"; and the second occurrence of the clause "a first adjustor coupled to the first guide, the first adjustor including a first grip configured to permit a user to linearly actuate the first adjustor,

thereby causing linear movement of at least a portion of the first cutting path relative to the first mounting location” in claim 39, lines 60-64 should be deleted.

As these errors were made by the U.S. Patent & Trademark Office, it is therefore believed that no fee is necessary. If the Commissioner should find otherwise, however, please charge any necessary fees to Bose McKinney & Evans LLP’s Deposit Account No. 02-3223.

Respectfully submitted,
